## Man Friday

---

In order to make our church attractive for all visitors, we feel it needs to be kept as warm and welcoming as our own homes.

To that end, the Man Friday group undertake the small, everyday jobs that occur on church premises, such as changing failed light bulbs, putting up shelves and notice boards, moving furniture, carrying out safety checks,

The **Methodist Church** 

and many other small tasks for the various groups who meet in the church.

Most importantly, we have a coffee break at about 10.30am when we catch up with each other's news and put the world to rights!

Why not join us?
