

*Unless you change and become like children, you will never enter the Kingdom of heaven.*

Matthew chapter 18 verse 3

The **Methodist Church** 

*Our mission is to love, worship and serve God.*

## WBTG?

---

The Wesley Baby and Toddler Group exists to give your child (and you) the opportunity to enjoy free play, craft activities and singing in a fun, friendly and caring environment. The group provides a place for carers of young children to come, relax, meet new friends and spend time playing with their children.

The **Methodist Church**

At the group you'll be able to meet others in your situation and give and receive mutual support and encouragement. We hope that the group will be a safe, caring environment for your children to play in and to come into contact with other children of a similar age.

Carers from within the group also run it. Most of the morning is free playtime for children. There is a range of toys and books available and an activity table every week with craft, painting and sticking. We finish each week with a singing session for everyone.

The registration fee per annum per family is £2.00 September to July; reductions are offered if you join mid-year. Learn more from:
